Trustee's Note . . .

December 2020

Many thanks to everyone who came out to vote and have their voices heard in electing your 2021 Board of Trustees. All three incumbents have retained their seats so the 2021 board is comprised of the same trustees as 2020 who are just as dedicated to working hard another year for you!

A special thanks goes out to Ron Grandmaison for heading up this year's election process and the meet the candidates event. It was not easy to plan and execute elections during the current Covid restrictions so please be sure to give Ron a thumbs up when you see him next.

The board will be meeting in early December to discuss 2021 projects and responsibilities which will be posted in January's newsletter.

One project of immediate concern that the trustees agree must be researched is allowing the use of portable generators here at CV4. We understand the need to have emergency power when the outside power is cut to the village and that the rules should be revised to allow them; however, at the same time, there are safety concerns as well as noise levels and fumes that affect all of us to be considered.

We'll be working closely with our maintenance supervisor to come up with a plan that we believe will be a win-win for everyone and we look forward to rolling it out very soon and updating the rulebook to reflect this change so stand by!

CLICK ON OVER TO CHECK OUT OUR NEW

www.crestwoodvillagefour.com

Make note of our NEW website that is now up and running!

The board shared your frustration with our previous website since we started in January and although we tried our best to work with them in making updates, edits, and uploading newsletters and monthly calendars, it never got better. The original site was designed by the hosting company and had to be maintained by them as well, removing our ability to make our own changes. Our office staff would email them our monthly updates and newsletters; however, we were at their mercy to fulfill our service plan and make those changes, which did not always happen, despite the upgraded service plan we were paying for.

Likewise, our emails were tied to this website and the hosting company was unable to give us more space when we hit the small limit we were allocated. We spent lots of time taking space from one person and giving it to another only to do it again when that mailbox was full. It was like rearranging chairs on the Titanic!

After all the frustration and inability to update text and newsletters we were forced to start from scratch with a different name because the hosting company would not release the name to a different hosting company. This in itself is troubling as it's done all the time. Basically they held us hostage so we decided to create a new name.

At first glance you'll see the same information because the content creator used the old site data to create the new one. This new one is being updated as we are learning the new site editing abilities so please be patient.

To help us make the new site truly our own we would love to have you submit electronic photos of the grounds, units, nature, etc. along with other items you think may be of interest to all residents. Please email these and other suggestions to JoAnn@crestwoodvillageFOUR.com

Future content we are working to add to the website include a resident's BLOG and a resident's portal that will contain confidential information such as blast announcements and our by-laws/rulebook that should be available to residents only.

**please refrain from posting on social media that this site has the same problems as the old one as we are in the process of making updates which takes a little time.*

Classic Pork Crown Roast

Level: Intermediate
 Total: 10 hr 40 min
 (includes resting time)
 Active: 45 min
 Yield: 16 to 18 servings

Ingredients:

- One 16- to 18-bone crown roast of pork (about 10 pounds) (see Cook's Note)
- Kosher salt and freshly ground black pepper
- 2 teaspoons fennel seeds
- 1 teaspoon whole allspice
- 1 teaspoon whole black peppercorns
- 3 juniper berries
- 1/2 teaspoon juniper berries
- 1 small bay leaf
- 1/4 cup olive oil
- 1/2 cup granulated sugar
- 1 tablespoon chopped fresh sage
- 1 teaspoon fresh thyme leaves, chopped
- 6 Granny Smith apples, peeled, cored and cut into 8 wedges each
- 2 large red onions, peeled and cut into 8 wedges each
- 1 stick (8 tablespoons) unsalted butter, melted
- 1 cup dry white wine
- 2 cups apple cider

Directions:

- 1 Put the pork on a rimmed baking sheet and sprinkle all over with 1 tablespoon salt and several grinds of pepper; set aside.
- 2 Put the fennel, allspice, whole peppercorns and juniper berries in a small skillet over medium heat and cook until the fennel begins to turn slightly golden, about 5 minutes.
- 3 Transfer the toasted spices to a blender, add the bay leaf and blend until coarsely ground. Add the olive oil and 1 tablespoon salt and process until a coarse paste forms, about 1 minute. Spread the paste over the pork, making sure to get it into all the nooks and crannies; use a spatula to scrape up all the paste from the blender. Cover the pork with plastic wrap and refrigerate at least 8 hours and up to 24 hours.
- 4 When ready to cook the pork, preheat the oven to 450 degrees F.
- 5 Put the pork on a rack set in a large roasting pan and cook for 20 minutes. Lower the oven temperature to 350 degrees F and continue to cook until an instant-read thermometer registers 135 degrees F, about another 1 1/2 hours.
- 6 Meanwhile, combine the sugar, sage, thyme, apples, onions and 6 tablespoons of the butter in a large bowl until well coated. Heat a large skillet over high heat until very hot, about 3 minutes. Add half of the apple and onion mixture and cook, stirring occasionally, until the apples and onions are dark golden all over but the apples are still firm, 2 to 3 minutes. Transfer to a rimmed baking sheet and spread into a single layer to cool, using a heatproof spatula to scrape all the remaining sugar from the skillet over the apples and onions. Repeat with the remaining apple and onion mixture.
- 7 Return the skillet to high heat and add the wine. Cook until syrupy and reduced to about 2 tablespoons, about 4 minutes. Add the cider and cook until thickened and glossy, about 8 minutes; you should have about 1/3 cup of glaze. Swirl in the remaining 2 tablespoons butter and set aside.
- 8 Once the pork reaches 135 degrees F, increase the oven temperature to 450 degrees F and brush the pork all over with half the glaze. Return to the oven and cook for 5 minutes. Brush with the remaining glaze and continue to cook until the internal temperature registers 145 degrees F, about another 5 minutes. Transfer to a serving platter and let rest for 30 minutes. Serve with the apples and onions.

Sweet Potatoes with Pistachio Crumble

Ingredients:

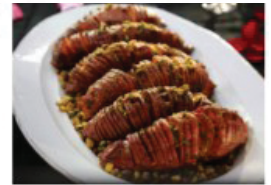

- 2 tablespoons unsalted butter, melted
- 2 tablespoons olive oil
- 3/4 teaspoon smoked paprika
- Kosher salt
- 6 small to medium sweet potatoes

Pistachio Crumble:

- 1 tablespoon olive oil
- 2/3 cup chopped shelled unsalted pistachios
- 1/2 teaspoon smoked paprika
- 1/4 teaspoon chili powder
- 1/4 teaspoon garlic powder
- 1/4 teaspoon onion powder
- Kosher salt
- 1/4 teaspoon sugar, optional
- 2 tablespoons chopped fresh flat-leaf parsley

Directions:

- 1 For the sweet potatoes: Preheat the oven to 425 degrees F. Line a rimmed baking sheet with foil.
- 2 Combine the butter, oil, paprika and 1/2 teaspoon salt in a small bowl.
- 3 Use a sharp knife to cut 1/8-inch-thick slices crosswise through each potato, slicing about two-thirds of the way through so that the potatoes remain intact.
- 4 Put the potatoes on the prepared baking sheet and brush with about half of the paprika butter, trying to get some of the butter between the slices. Bake until about halfway cooked and slightly pliable, about 30 minutes. Use a fork to gently apply pressure to the tops of the potatoes to fan the slices slightly. Brush in-between the slices with the remaining butter, then bake until cooked through and slightly crispy on top, about 35 minutes more.
- 5 For the pistachio crumble: Heat the oil in a medium skillet over medium-high heat. Add the pistachios, paprika, chili powder, garlic powder, onion powder, 1/4 teaspoon salt and the sugar, if using. Cook, stirring often, until aromatic and lightly toasted, 3 to 4 minutes. Stir in the parsley.
- 6 Serve the sweet potatoes sprinkled with the pistachio crumble.

Easy Delicious Coconut Custard Pie

Ingredients:

- 1/2 cup Bisquick
- 3/4 cup sugar
- 4 eggs
- 2 cups milk
- 1 cup flaked coconut
- 1 TSP vanilla
- 1 TBS softened butter

Combine all ingredients. Pour into a 9" pie pan. Bake at 400° for 25-30 minutes until custard sets.

Like magic it layers itself into crust, custard, and coconut topping!

Holiday Biscotti

Level: Easy
 Total: 2 hr 30 min
 Prep: 25 min
 Inactive: 1 hr 10 min
 Cook: 55 min
 Yield: 2 dozen

Ingredients:

- 2 cups all-purpose flour
- 1 1/2 teaspoons baking powder
- 3/4 cup sugar
- 1/2 cup (1 stick) unsalted butter, room temperature
- 1 teaspoon grated lemon zest
- 1/4 teaspoon salt
- 2 large eggs
- 3/4 cup pistachios, coarsely chopped
- 2/3 cup dried cranberries
- 12 ounces good-quality white chocolate, chopped
- Red and green sugar crystals, for garnish

Directions:

- 1 Preheat the oven to 350 degrees F.
- 2 Line a heavy large baking sheet with parchment paper. Whisk the flour and baking powder in a medium bowl to blend. Using an electric mixer, beat the sugar, butter, lemon zest, and salt in a large bowl to blend. Beat in the eggs 1 at a time. Add the flour mixture and beat just until blended. Stir in the pistachios and cranberries.
- 3 Form the dough into a 13-inch long, 3-inch wide log on the prepared baking sheet. Bake until light golden, about 40 minutes. Cool for 30 minutes.
- 4 Place the log on the cutting board. Using a sharp serrated knife, cut the log on a diagonal into 1/2 to 3/4-inch-thick slices. Arrange the biscotti, cut side down, on the baking sheet. Bake the biscotti until they are pale golden, about 15 minutes. Transfer the biscotti to a rack and cool completely.
- 5 Stir the chocolate in a bowl set over a saucenpan of simmering water until the chocolate melts. Dip half of the biscotti into the melted chocolate. Gently shake off the excess chocolate. Place the biscotti on the baking sheet for the chocolate to set. Sprinkle with the sugar crystals. Refrigerate until the chocolate is firm, about 35 minutes.
- 6 The biscotti can be made ahead. Store them in an airtight container up to 4 days, or wrap them in foil and freeze in resealable plastic bags up to 3 weeks.

“DESPERATELY SEEKING” NICE YOUNG LADY...

...with elegant sunhat, cool shades, walking cane, who approached me after our last outdoor membership meeting about taking on a monthly paper delivery route. As it happens, a desirable route did indeed open up for 2021, and I reserved it just for you.

Due to a crazy oversight, I lost your contact information. Please email your name, contact number, or email to dick@crestwoodvillagefour.com

Better still, telephone Frank Skettini at 732-350-0230, ext 13. I will set you up with all you need to join our energetic, motivated team!

Additional delivery routes are still available and we need people to help get the monthly newsletters out to all residents so please call Frank and let him know if you are available to assist with a fantastic group of dedicated volunteers who have been managing the distribution for a long, long time.

Dick Martin and our entire Village 4 membership congratulates Bob Olenik & Carolyn Deschense on their retirement from running newsletters out to our mailboxes. Bob and Carolyn served our village for 15 years, in all weather, year in and year out, faithfully completing their appointed rounds. Please join us in our heartfelt, “thanks!” for their dedicated years of reliable service. Carolyn and Bob, God bless you and grant you many more safe, happy, healthy years.

Dick Martin, Trustee

CV4 RADIO SHOW NEWS

Once again, a new milestone for Crestwood Village IV entertainment, last Friday Frank and I had our first live broadcast. You may have missed it, or maybe you caught one of the replays, either way, why not give a listen to your local village radio show?

You can listen to the rebroadcast on Mondays at 1pm, Wednesdays at 9am and Thursdays at 6pm on 91.5 FM.

For our live weekly show Frank and I will be on YouTube. This will give us a chance to answer your questions live through the chat box. This is the best way to get the current events happening here in Crestwood Village IV. We keep you up to date on activities in the clubhouse as well as local news from the Manchester Times.

If you wish to participate live send us an email and we will share the link with you.

You can contact us at: Matthew@crestwoodvillagefour.com or Frank@crestwoodvillagefour.com

Send us an email or leave a message at the clubhouse with your concerns or questions, and of course you can join in the conversation live on YouTube Friday Mornings at 11 AM.

*Rumor
Mill*

Rumor - The trustees fired our Auditor, Bob Elliott

Fact - No they did not and Bob has been working with Tom, our new bookkeeper to bring our books up to an acceptable level of accountability which had been greatly lacking.

Thanks to both Bob and Tom for digging into this very important aspect of running our village.

*Like one resident who called a trustee for the fact about this claim, we encourage everyone to call and ask for a trustee to set the records straight the next time

you're subjected to a village rumor. Thanks again to that person!

A message from the President

Dear Neighbors,

I would like to thank everyone who came out to vote and show their support for the great things happening here in Crestwood Village IV. I look forward to continuing our hard work to improve the quality of services while keeping our expenses in line with the budget.

While we held Flea Markets, exercise classes and continue to see a robust resale market, many other villages remain closed.

In the past month we did have a couple of concerns with the Covid-19 virus and immediately voted to close the clubhouse for the required 14-day quarantine period. During that time, the clubhouse was given a deep clean and sanitized and we continue to sanitize on daily basis. While closing the clubhouse is not an easy decision, it is one that is made to protect all the residents here in Crestwood Village Co-Op Four, Inc.

The clubhouse being closed does not mean work is not being done. Garbage is still being collected and all fall outside work to get the village ready for winter is being done, along with closings taking place in our parking lot!

As always, if you are doing anything that involves electrical work, major plumbing or remodeling please check with the office before you begin. It is important to verify whether you will need permits and inspections.

Starting this month we have a new website: www.crestwoodvillagefour.com *see page 4 for details

You will be able to get most forms you need for any rehab work on the website by the end of December.

Just remember if you are planning to sell your unit you will need permission to sell. A quick phone call to the resale office will get you all the information you need to list your unit for sale.
