MARCH 2022

"ON FURTHER REVIEW..." VILLAGE FOUR CLUBHOUSE OPENING UPDATE

During your Trustee Board's regular weekly session Monday February 7th, an agenda item came up regarding the on and off clubhouse hours/activities due to our nationwide ongoing COVID pandemic crisis. We all spent significant time and effort doing extensive risk/reward analyses. Our discussion resulted in something akin to what sometimes happens in a football game, when a team coach throws his red "challenge flag," demanding a review of the prior call. After watching videotape of the play, the head official announces something to the effect of, "On further review," then explains the upshot of what the referees decided in that matter.

Similarly, your board decided, "on further review" of all available inputs, **the Crestwood Village Four clubhouse will open unrestrictedly, regular posted hours, effective Tuesday March 1st.**

June Strelecki says our Women's Club is ready to go 1st Thurs of March (3/3).

Jerry Carroll assures us Bingo is good for March 8th.

Liz Haller's "Fit 'n trim" group will recommence working out Mondays and Fridays from Monday the 7th onward.

Joan Heavey's Ceramics class is ready to go the 1st Wed in March (3/2).

So, we're really moving in the right direction at long last, and hopefully this continues going forward, without any more government imposed "hiccups" nor any other unwelcome surprises.

Thank you all for bearing with this historically unprecedented situation. We predicted we would get through it, with a little time, inner strength, faith, patience. Let's all stay well, keep calm, and carry on as best we can. Hope to see you soon down at 15E Moccasin Drive!

CV4 SAYS GOODBYE TO BELOVED HEAD CUSTODIAN REGINA McCABE

Dear CV4 Residents, Staff and Board of Trustees,

It is with a heavy heart that I must face the fact that my vision is impaired by a condition known as "Fuchs Dystrophy" to the point where I must now say good-bye.

It is with mixed emotions that I am retiring effective March 1, 2022; however, I am planning to enjoy my hobbies, favorite pastimes and relaxation to the fullest.

As I bid you farewell, it is important that you know the positive impact you've all had on my life over the last 8 years. CV4 has been a home away from home for me. Every person I have met and worked with has added joy and light to my life and I thank you all so much for that. You will always hold a very special place in my heart and will surely be deeply missed.

With Love,
Regina, Your Head Custodian

Bookkeeper's Corner

By Tom Falkowski

Welcome to the new feature in our newsletter where our bookkeeper, Tom Falkowski, addresses current issues being faced by our residents. Each month we will try to discuss an important topic that seems to be on everyone's mind. Or we may just talk about recent interesting topics in the news....

This month, as we all begin to gather the multitudes of paperwork needed to prepare our tax return, we have been receiving a large amount of calls regarding taxes paid by residents for the tax year 2021. The actual amounts paid, listed by unit, were previously printed in the February newsletter on page 6. These numbers can be provided to your tax preparer so they can accurately present your tax return to the IRS.

Furthermore, the usual April 15th deadline to file has been extended this year until April 18th. This is due to the fact that Emancipation Day falls on April 16th, which is a Saturday, but is observed on April 15th this year. April 17th is a Sunday, so the deadline gets pushed forward to the 18th.

Also, be sure to provide the exact amount of any stimulus payments you may have received in 2021. These must be claimed, and the amount must match what the IRS has on file for what you officially received from the government. Otherwise, your refund will certainly be delayed as it receives more scrutiny from the IRS.

Lastly, you will probably need to be quite patient when waiting for your expected refund. While the IRS has been stating that they expect to send refunds within 21 days, this may be wishful thinking as they are still processing millions of returns from 2020. This is mainly due to people failing to report stimulus payments for that year, or just reporting an incorrect amount that they received for 2020. To best expedite your refund, I would recommend providing direct deposit information to your tax preparer so as not to wait for the USPS to deliver a check.

That is all for this month. I hope this was helpful and I wish you all the best!

THE REP REPORT MARCH 2022

BY: CAROL MARSELLA

Chair, CVFour District Reps

Hello again. It's my sincere hope you're all having a good 2022.

Welcome to our new members! I'm Carol Marsella, and I chair the CV Four District Representatives (a.k.a. district reps, or reps).

Given it's been a while since I've written for our column, and a certain few questions pop up every so often, it occurs to me to address the most common ones here in our CV Four Newsletter. Before I get to it, I want to address all our new neighbors. This article is for you, especially.

What is a district rep?

A District Representative is a volunteer liaison who will act between resident and board of trustees on behalf of each to the other. We are well versed in CV Four rules, regulations, and by-laws, as well as local happenings, contacts, activities, news, and more. It's our goal and responsibility to ease the burden of assisting the individual unit owner, while the board of trustees carries the massive burden of assisting the village as a whole.

Are they village cops?

While reps certainly help maintain a moderate degree of security, we are not here to enforce. We do, however, like to stop by to introduce ourselves when we see you outside, and we might, on occasion, offer a gentle reminder or clarification about some bylaw or rule that appears to have been forgotten or overlooked. It's rare, but it does happen. We know the area and will make note to question something that looks odd or out of place.

When should I call my district rep?

We're here to help with any questions you might have about our CV4 and/or Manchester. Co-op residency is different than any other and can be confusing at times. It's always best to call us when you're unsure of how to go about something (i.e., modifications, common area, how to park extended visitors, and all the whys and wherefores that concern or confuse). What we do ask, though, is that you reach out to us between 9:00 a.m. and 4:00 p.m. unless there is an emergency.

What if no district rep is assigned to my address? Am I on my own?

All certificate holders are represented. Even those of us who have assigned areas can -and do - represent those who appear as "vacant" on our list.

I'll take this opportunity to mention **we are seeking volunteers to join us**. So if you're interested in learning more about CV4 and would like to help your friends and neighbors as defined in this article, my contact information is at the bottom. Please reach out to me.

What if I can't reach my rep?

We're all listed in the rep section of this newsletter. Call Carol (me) or any other rep.

How does one become a district rep? What are the requirements? Are there shifts? What's the time commitment?

Glad you asked! One would call or email me and share your interest. We will arrange a time to meet at the clubhouse and there is a 1.5 to 2 hour training meeting at a time convenient to all. The main requirement is you must be a certificate holder and a resident of CV4. The only time requirement is our mandatory monthly meeting which is the second Thursday of every month at 1:00 p.m.

Do reps get calls all day long?

Not at all. We can go days or weeks without an inquiry. That said, they tend to come in spurts. After a snowfall, for example, or during a power outage. And that's as it should be. The trustees advise us, and we're at the ready to share info with all of you.

Do I have to stay at home? I go out of town a lot to see family.

Not at all. Reps are not chained to the Village. Just let me know when you're not in town and another rep will step in for you.

Conversely, if you need your rep and s/he is out of town, you are always welcome to call me.

I do want to add one very important note of suggestion. And that is, please add your rep's and my phone numbers to your directory and cell phone, and label it with our names and "District Rep". **This will be most helpful if there is an emergency and we need to reach you. You will recognize the number and not ignore the call.**

I hope I have answered these questions well and that this information is helpful. The most important take away - and please let others know - is that your district reps are here for ALL CERTIFICATE HOLDERS.

A MESSAGE FROM YOUR COMMUNITY MANAGER/RESALE COORDINATOR

I would like to send a huge THANK YOU to CV4 for a wonderful and fulfilling first of many years to come as your Community Manager/Resale Coordinator.

This month marks one year, one FANTASTIC year!

I would like to thank the Board for such an amazing opportunity!

Many thanks to my co-workers, it took a bit of time to acquire such an awesome and dedicated staff, but we prevailed, and I am so thrilled to work with all of you!

And, to all the residents of CV4 and the many volunteers, THANK YOU for welcoming me and working with me through all our happenings and events!

So, let's recap the last 365 days and all that I have been involved in (and enjoying every single bit of it).

First, are the CV4 closings. In 2021, we had close to **100** closings, which is spectacular for so many reasons. My hopes are the same or more for 2022, as we are right on track.

Then there are our Monday staff meetings which your dedicated Board of Trustees and Staff are in full work mode to always keep CV4 moving in the best direction for everyone.

Completing the sales of units belonging to CV4 is a wonderful experience, so far 2 with another 6 coming shortly.

In addition, while I do not live in Manchester/Whiting, I can honestly say that working with your Township has been and is a delightful experience. They are informative, helpful and a delightful group.

Let's not forget all the fun I have planned, coordinated and participated in. Just to name a few, and I hope all who attended had a great experience as well, was our two tailgate BYOE events, our volunteer appreciation luncheon, and our new members meet and greet. Unfortunately, CV4 had to cancel many events in January, like our Bonfire; however, we are getting back on track and the Bonfire has been rescheduled for **March 25th**. I am hoping with the re-opening of the clubhouse on **March 1st**, that we will be able to schedule more activities and events throughout 2022.

In summary, I want to thank all of you for welcoming me into your community. I absolutely love being a part of CV4, and I sincerely look forward to many wonderful years ahead.

Stay well, and if you require anything within my expertise, please feel free to reach out to me at valarie@crestwoodvillagefour.com or extension 19.

With gratitude,

Valarie, with an "a"

KIRMS PHOTOGRAPHY

No More Blurry Images

People often complain about the sharpness of their images. Many things could cause this, but the one I see most often is not holding the camera properly. This is especially true for the small point-and-shoot cameras, and cell phones, that many of us use today.

To photograph with these cameras you look at the screen on the back of the camera rather than through a viewfinder (as with an SLR camera). This forces you to hold the camera away from your face and body to give your eyes room to see the screen. While pressing the shutter button, people have a tendency to flex their wrists, which moves the camera and causes blur. It can also lead to losing the top portion of your image and cutting off the tops of your subjects' heads!

The fix: simply press the shutter as softly as possible and make certain you don't move your wrists. For added stability, you may brace your elbows against your body or on a firm object.

That's it for this month. As always you can send me an email at bill@kirmsphotography.com. If you'd like to see more of my images, visit my website at www.kirmsphotography.com. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
