TRUSTEE'S NOTE

MAY 2022

BEFORE YOU BAG THOSE BAGS READ THIS...

The May 4th State ban on plastic bags, paper bags, foam cartons and more may not be what you think it is and here are the major take-aways that apply to restaurants and stores ONLY:

- Plastic carryout bags can no longer be given out or sold in any store or restaurant except woven plastic tote bags with stitched handles.
- Paper bags cannot be given out in supermarkets or big-box stores that have grocery sections.

Foam food containers, including clamshell boxes and coffee cups, can no longer be given out by stores or restaurants. The plastic ban applies to all stores regardless of what they sell and the paper bag ban only applies to supermarkets. Any store that is not a supermarket (department store, clothing boutique, electronics store, etc.) can still give out paper bags if they so choose. Plastic straws are available only upon request.

The new law does not stop people from using plastic bags, it only bans stores and restaurants from giving them out so you can still use the plastic garbage bags you normally use and you can still pick up your dog's waste with those same P**P bags you always use.

After May 4th you can still bring your own plastic bags to stores to shop with, unless the store has it's own set of rules.

You can still buy plastic bags as the law targets only carryout bags, not bags for sale.

Best advice - when in doubt, bring a reusable bag!

It's that time of the year again—friendly reminder

With warmer weather coming, the Trustees remind our members that we live squarely in the Central Jersey pine belt, subject to its attendant hazards. For example, our native tree population soon will rain its customary yellow-green pollen down on us, blanketing everything, including garage-parked cars. Local residents know from experience that even people without upper respiratory allergies can suffer allergy symptoms, and this goes on for weeks. We are subject also to “noise pollution” as the local military bases conduct gunnery practice, all part of keeping our democratic republic safe.

My focus in this article is on small pests which many Crestwood Village area residents dismiss as nothing, but may alter your life, not in a good way. These Pine Barrens quite literally crawl with innumerable bugs. Although termites and carpenter ants cause most of the building destruction here, they constitute no immediate human health threat. Four main “creepy-crawlies” affect us: mosquitos, black flies, fleas, and ticks.

Protect yourself from mosquito bites. Use insect repellent with DEET or other effective ingredients.

If you're lucky enough to have a grandchild in your care this Spring and Summer, take care to:

- Dress the child in clothing that covers arms and legs.
- Cover strollers and baby carriers with mosquito netting.
- Use insect repellent on the child, always following label instructions..
- Take steps to control mosquitoes indoors and outdoors.
- Use screens on windows and doors. Repair holes in screens to keep mosquitoes outdoors.
- Use air conditioning, if available.

Stop mosquitoes from laying eggs in or near water.

Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers. Check for water-holding containers both indoors and outdoors and dump them.

I found out the hard way the same nasty biting flies at the beach find their way to our village. Last summer I was out in my 3-foot area gardening a bit, when I got a bad fly bite. I slapped at and killed the #!*&#-ing thing, but not before it raised such a welt I had to see a doctor for treatment. I still carry a scar from it. So, consider covering up with long pants, even if it's beastly hot.

Flea bites cause intense itching, and this is generally the worst of it, since the itching and red bite marks fade over time with no long-term health consequences. Yet fleas are known disease and parasite carriers and can induce allergic reactions in more sensitive individuals or pets, so it's vital to be aware of the various diseases they can spread. Flea-borne disease in the United States is rather minor, as compared to the third world. In the USA people get fleas mainly from their infected dogs and cat pets. Fleas threaten your pet's health greatly, so do follow all veterinary recommendations, and change flea collars on schedule. And remember humans can get skin dermatitis from flea saliva, which shows up as itchy bumps or a rash on patches of skin. Also, inhaling flea excrement might cause asthmatic responses in certain persons.

The main tick-borne disease we worry about is Lyme. It is spread by deer (blacklegged ticks) and the Rocky Mountain wood tick. The symptoms include a rash with a ring of red skin around the tick bite, fever, fatigue, headache, and affects the nervous system if not treated on time. When I moved here eight years ago, I brought along my habit of taking long walks, and I acquainted myself with my new home exploring various routes over a 5-mile range in every direction. Neighbors and friends cautioned, “These wooded areas have ticks, so be careful.” I brushed it off cavalierly as silly old people alarmism. Long story short – without realizing it, on different occasions ticks got into my unit, and on/into me, even though I thought I was being careful, like checking my clothes thoroughly after having taken short cuts through the woods coming back from Stop and Shop. I did receive at least two tick bites and was put on Doxycycline on two separate occasions as prophylaxis against possible infection.

I know several people who did get Lyme, and even years later they are not doing well. So, take care of yourselves even if you're just gardening a bit in your three-foot area near the unit. Just one bug bite can be life-altering. At our age, we don't need any more “surprises.”

DEFENSIVE DRIVING AT VILLAGE IV

On Wednesday, June 22, 2022, AARP will be holding a class on Defensive Driving at Crestwood Village IV - Independence Hall on Moccasin Drive. The Class is limited to **25 people** and for AARP members the cost is \$20.00 - non-members \$25.00. This is a one day class starting at 9:00 a.m. and after a coffee/water break or snack, ends at approximately 3:00 p.m. This event is being sponsored by the Women's Club of Village IV - and to get put on the list of attendees, call **Blanche Doran at (732) 849-4701**. Please note that due to the overwhelming amount of robo calls I receive, it is better to leave a message and your call will be returned, or please add your name and contact info on the sign-up sheet located in Independence Hall.

We hope to see many of you there!

OBEY THE SPEED LIMIT.

A WORD FROM YOUR COMMUNITY MANAGER

With the nice weather coming, I am sure many of our wonderful members will be having company of both family and friends. With company comes cars, and we do not want parking to become an issue in our beautiful community. Over the past few months, the office has been receiving numerous concerns about illegal parking in our Village. If you have any questions about parking, please refer to CV4's **Rules & Regulations Booklet dated June 1, 2018**, specifically **Page 4, I.0 entitled VEHICLES AND PARKING. Sections I.1-I.13.**

The above is very important to read and adhere to as CV4 does tow on a nightly basis. Let's all respect our neighbors by adhering to the rules and regulations and keep CV4 the most **DESIRABLE** Village of all!

CV4 MOWING SCHEDULE

IT'S THAT TIME OF YEAR AGAIN! TIME TO START LAWN CARE ALREADY! Our lawn care company has informed us that they have already begun clean up in the Village. Cutting should have begun on April 18th and will continue every other week 5/2, 5/16 & 5/30. Fertilizer should begin after they cut.

Anyone that DOES NOT WANT fertilizing treatment should contact the main office to obtain flags as well to have their address placed on a non-treatment list that is forwarded to our lawn care company upon receipt.

Bookkeeper's Corner

By Tom Falkowski

Well, another month has passed. But the weather is improving, and I am looking forward to Opening day of MLB baseball as I write this article!

Last month, you remember, we wrote about the PTR forms. Everyone certainly paid attention as we have been receiving quite a few of these each day/week. Don't worry, you will get your forms back in plenty of time before the October 31, 2022 deadline.

As we get closer to the awesome summer weather, I just want to remind you that we offer direct debit payment for your monthly carrying charges. This is a great way to save time (that you can use to enjoy the wonderful weather and fun things to do in NJ) and ease your worries about whether we received your check or money order. It is free to sign up and you will be glad you did!

Tax season is finally coming to an end (unless you filed for an extension), but it is never too early to prepare for next tax season. If you owed money this year, you may want to adjust your withholding amounts from your job or retirement income. Or you can contemplate putting money into a retirement plan which will not only aid you in your later years but also reduce your tax liability.

Also, recently I have had many people ask how they can save money in 2022 with prices continuing to rise at alarming rates. I start by saying that it is always wise to put a monthly budget together of necessary expenses compared to actual income. This will help eliminate needless spending and assist in determining what you can splurge on each month.

Finally, I would like to warn all residents of scams and identity theft. Sadly, these criminal activities have become far too prevalent in our society. But daily vigilance can thwart the plans of these criminals. Check accounts regularly and destroy unneeded documents containing personal information.

That is all for this month. I hope this was helpful and informative. I wish everyone all the best!

A NOTE FROM MANCHESTER TWP DEPARTMENT OF UTILITIES

The Manchester Township Department of Utilities will be flushing fire hydrants in May. Hours will vary during the day as well as during the night. During this time, you will experience a difference in pressure and discoloration. Run your cold-water tap only until it runs clear.

SHOUT OUT TO OUR AMAZING DISTRICT REPS!

When an unexpected emergency caused a shortage of volunteers to deliver April's newsletter, our **FABULOUS** District Reps stepped up and made it happen!

Under the direction of Carol Marsella, our District Reps were quickly notified and asked if they could pitch in to get the newsletter delivered on time...and the response was overwhelming.

Within hours the teams were organized and hitting the streets and we all can't thank them enough.

Often times working behind the scenes, this is what our District Reps do. Their love for their community shows over and over again and we're very thankful for each and every one of them!

***Please consider joining this truly awesome team of volunteers! If you are interested in becoming a District Rep, please contact Carol Marsella at (973) 570-3470**

Thank You!

BONFIRE BLAST!!!

What a fun time everyone had at our Bonfire Dance Party!

DJ Mare spun the tunes while the fire and guests danced to the music.

Inside and out people smiled all night long as they enjoyed the first of more out-of-the-box events to come from Village Four.

The outdoor BBQ toasted tons of marshmallows to create perfect S'mores delights. Gazing into the fire with friends while sipping hot cider added to the mellow yet sometimes rowdy night.

...BUT...the real unexpected fun was being shuttled around the property to the bonfire area on the adorably decorated tractor pull our maintenance team rigged just for this special evening. The waiting lines to jump aboard said it all.

People enjoyed the last flames right up until the fire died down late into the night and said they're all waiting for the next CV4 Bonfire!

Keep watch this summer for the news on what fun and unique events we're planning for the fall.

REMINDER - GARAGE SALES CAN ONLY BE HELD ON THE LAST SATURDAY OF EACH MONTH

Garage sales signs have been popping up at the entrances to the Village on other Saturdays and we want everyone to know this could result in ending this monthly activity that so many residents continue to enjoy.

Special considerations are always given to hold separate Estate Sales for anyone who is in the process of selling their unit. Please call the office for additional details and the approval process.

THANK YOU and HAPPY SELLING!

BOCCCE

Anyone interested in a game of Bocce Ball, please let the office know.

We're looking to re-establish the Bocce Ball Club which currently needs a new club organizer and enough interested players.

So, sign up, join up, and Bocce UP!

NO BINGO IN MAY

Bingo!

WILL RESUME ON JUNE 7th!

Reminder: Ask Your District Representative **FIRST**

The primary duty of the Representative is to work together with the Board of Trustees, to establish an appropriate link with and among the residents to further the smooth-running operation of an informed and harmonious community.

PTR FORMS

THERE IS NO NEED FOR YOU TO DROP OFF THE ENTIRE BOOKLET. We only need the PTR-1A or PTR-2A form that can be torn out of the booklet.

Forms that are dropped off will be completed weekly on **FRIDAYS** rather than on an individual basis, so **please allow approximately one to two weeks to get it back.**

When you drop it off, just let us know if you would like it mailed back to you or, if you would like to pick it up and we will call you when it's ready.

*PTR forms are NOT automatically mailed to every resident.

MEMORIAL DAY IN AMERICA

Many people forget that Memorial Day is more than backyard barbeques, cold beers and parades. Presently observed on the last Monday in May, Memorial Day (originally known as Decoration Day), is a federal holiday in the United States for mourning the U.S. military personnel who have died while serving in the United States Armed Forces.

According to Wikipedia, in 1868, General John A. Logan of the Grand Army of the Republic called for a "Decoration Day". However, By 1890, every Northern state had adopted it as a holiday to celebrate veterans of the Civil War. After World War II, Memorial Day became a generalized day of remembrance, and in 1970, Congress standardized the holiday as "Memorial Day" and changed its observance to the last Monday in May.

This Memorial Day, take a moment to thank all those who have served and are currently serving, and take a moment of silence for those who made the ultimate sacrifice for the freedoms so many take for granted.

On behalf of the Board of Trustees and staff at Crestwood Village Four, we thank all those who served and are serving, and wish you all a Happy Memorial Day!
