## MAY 2023

**A MESSAGE FROM YOUR PRESIDENT...** Thank you to all who attended the Member's Meeting on the 13th. There's a lot going on at CV4, below are some important reminders but one very important reminder... **THANK YOU TO ALL OUR CV4 VETERAN'S. FREEDOM IS NOT FREE, AND WE THANK YOU FOR YOUR SERVICE & SACRIFICES.**

**Effective May 8th**, the front office window will be closing at 3 PM every day giving the staff time to finish tasks started during the day. If you need to speak with someone after 3 PM, please call the office between 8:30 AM and 2:45 PM to schedule an appointment for in-person assistance. For **EMERGENCY calls after 3 PM, please press 9 during the answering machine announcement.** The Board and your Staff appreciate your cooperation and patience.

Please also remember as I spoke about at the meeting Thursday, if you see a violation and would like us to investigate this violation, please email the office or bring in information (such as pictures) that provides proof a violation is actually occurring. We are not asking you to police your neighbors, but if you see something, say something. Information can be emailed to your Resident Coordinator, Diane Marchinetti, at [diane@crestwoodvillagefour.com](mailto:diane@crestwoodvillagefour.com). We cannot entertain anonymous information and we will NEVER divulge your information, but we may need to contact you to verify information, clarify an issue or simply provide you a status of our investigation.

Moving on...Spring gutter cleaning has begun. A few reminders: if you have an awning over your patio, a sunroom, or a 3-season room, those gutters are **not** part of the gutter cleaning done by the Association, and is your responsibility. Please remember, Members are permitted two free gutter cleanings (Spring and Autumn). There is a fee of \$65.00 for additional cleanings and an appointment would have to be made through the office.

Reminder... There are ventilation spaces at the ground level of the crawlspaces. These must be kept free of debris and should not be blocked off, to ventilate the crawlspace. Please keep these open.

Finally, your Spring project update!! The Board voted to bring back Stanley Contracting Co. to handle the roof replacements this year, as they did a fantastic job last year. In addition, the Board is currently reviewing proposals for painting contractors. While we have the list of units to be painted (see inside), we are negotiating for better rates with two contractors. We will keep you posted as our projects move along. Look inside for information on more events and club and class activities, and don't forget, we are always looking for volunteers. Thank you.

# CV4 MOWING SCHEDULE

**IT'S THAT TIME OF THE YEAR AGAIN!!!! IT'S LAWN CARE TIME!** You may have already seen the mowers as the Spring clean up has begun. Cutting began the week of April 24th and continues every other week. Anyone that **DOES NOT WANT** fertilizing treatment should contact the main office to obtain flags and to have their address placed on a non-treatment list that is forwarded to our lawn care company upon receipt. If you have any questions about lawn care, please call the office. Happy Spring!!!

## CRESTWOOD VILLAGE IV - WOMEN'S CLUB MEETING - MAY 4TH 1-3PM

April's meeting was taken over by the Fluffy Bunnies and everyone seemed to have loads of fun! We want to thank Goody and her group for putting it on along with a special Thank You to Sheila and her sister Pat for helping Goody with decorating. Thank you also to Neil the photographer and our Quest Singer, Amanda Rose. Can you believe we had over 1,000 eggs?!?!?! The Women's Club has started a sock and underwear drive in May and June. If you'd like to donate NEW socks and underwear, please bring them to the Betsy Ross Room on any Wednesday between 8:30AM & 12PM. We are doing this for homeless Seniors and Veterans. Also, for the month of May we will be celebrating Mother's Day. Please bring a picture of your Mom (but don't tell anyone)... We want to guess who's who. Thank you all for participating and making the Women's Club great!

## **KIRMS PHOTOGRAPHY** Your Favorite Spot

A good way to get great images is revisiting your favorite photo spots; you'll become familiar with the usual events and be better prepared to capture images that other photographers may miss.

One of my favorite local places to take images is the Pt. Pleasant side of the Manasquamm Inlet. I've become familiar with the habits of the animals which allows me to better predict when a good photo opportunity may arise. In the winter, there are loons and other species that we do not see the rest of the year. Try revisiting your favorite place at different times of the day. The hour or two after dawn and before dusk will offer the best quality of light. The light quality and position of sunrise and sunset will also vary at seasons of the year. By making frequent visits you'll get new perspectives on shots you may have already taken.

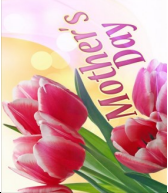

That's it for this month. As always you can email me with any photographic questions at [bill@KirmsPhotography.com](mailto:bill@KirmsPhotography.com). If you'd like to see more of my images you can visit my site at [www.KirmsPhotography.com](http://www.KirmsPhotography.com). Remember to keep

shooting and trying to improve your images, but most importantly, have fun with your camera.
