## SEPTEMBER 2023

**A MESSAGE FROM YOUR PRESIDENT.. You may have noticed our Village has been a buzz with projects.**

By the time this newsletter goes to print, our painting contractors will probably be done with the painting of the homes that were on the list to be painted this year.

Our roofing contractor has been busy putting on over 2000 square feet of new roofing on over 60 homes and should be wrapping up soon.

The gutter contractor is working hard to make sure those who need new gutters are receiving them. We have about 230 total replacements this year which is about 130 more than we did last year.

Our maintenance crew has been very busy as well, replacing garbage cans, and will be starting on the next round of either replacements or repairs shortly. Next the crew will be working systematically regarding tree issues. Please be patient, not only does our crew work diligently on projects and work orders, they are also out there collecting your garbage in between these tasks, in all kinds of weather!

On another note, the office has been receiving calls regarding FIRE HYDRANTS— We reached out to Manchester Twp and received a call back from the Superintendent of Manchester Water Co., who indicated they are in the process of painting hydrants throughout the Township from blue to red. Obviously it is a large undertaking, and they are unsure when the task will be completed.

Your Board and I hope you all had a safe Summer and look forward to bringing fun events to CV4 in the cooler Autumn weather. See you around!

-Donna Golding, President-

**Want to save money???** Senior discounts are all around us—you just need to look for them and ask when you are shopping, dining and traveling. Of course most people are aware of the AARP discounts with their card; however, some local stores, restaurants and travel sites offer even greater savings for seniors. Ask your cell phone carrier for senior plans you may qualify for that are not advertised, as well as hotels, rent a car companies and train and bus discounts. Even movie theaters offer discounts for movie tickets and concession stands—great way to stay cool for a few hours watching a great movie and eating popcorn! Local pharmacy chains also give great senior discounts on specific days—check your pharmacy for their participation and save money on items you use every day. Also take advantage of your pharmacist for free consultations to review medications, immunizations, blood pressure screening and other helpful health questions you may have—FREE IS GREAT!! Big box stores such as Lowe's, Kohl's and more offer bigger discounts not only for seniors but also for Veterans. Red, White and Blue Thrift stores and Goodwill stores offer 10%-50% off your purchase on specific days—be sure to check out the ads so you know what day the discounts will apply. So take out those AARP cards and check out the ads to the stores you generally shop and take advantage of all the savings—you may even be able to plan a great trip with all the savings!!

Enjoy the waning days of summer and here's to SAVING MONEY!!

**ANCHOR TAX REBATE: NEW DATE FOR PAYMENTS:** (The ANCHOR replaced the Homestead Benefit Program). According to an article in the Manchester Patch by Michelle Rotuno-Johnson posted August 23, 2023, "More than 1 million homeowners and renters in New Jersey can count on a property tax rebate check before Election Day this year in the second year of the Affordable Communities for Homeowners and Renters (ANCHOR)." Moreover, if ANCHOR is renewed for additional years in the State budget, those of you who qualify could see checks every November!

Last year, the ANCHOR program tax rebates ranged from \$450 to \$1,500 to NJ residents making under a certain income threshold. This year, the payment amount increased to \$1,750 for homeowners and \$700 for renters. According to NJ Department of Treasury Officials, "Payments for the first year of the program went out in late March, but residents won't have to wait that long this year—and will get their second ANCHOR rebate by early November." The Division of Taxation began mailing benefit confirmation letters on August 16th to residents who will not have to re-file an application to get their tax relief money this year.

**\*RECIPIENTS WHO NEED TO CHANGE THEIR MAILING ADDRESS, BANK ACCOUNT NUMBER OR OTHER QUALIFYING INFORMATION OUTLINED IN THE LETTER, MUST MAKE THESE CHANGES ONLINE IN THE ANCHOR PORTAL BY SEPTEMBER 30TH.**

For more information or assistance with your Anchor Benefits, the State has set up an ANCHOR hotline for assistance: [1-888-238-1233](tel:1-888-238-1233).

## **YOUR MAINTENANCE STAFF AT WORK!!!**

This year, your Maintenance Crew has set a tough standard for themselves...to trim and/or remove a whopping 303 trees! As you may recall, back in 2022 we purchased "Mr. Bucket". While Mr. Bucket had a tough time at first, he and our chipper are in full swing this year! Can you imagine, if the cost to remove 1 tree in 2022 was \$1k, what it would cost now, in 2023 with costs rising exponentially?

Nevertheless, removing trees and limbs is not a quick process whatsoever. Isaac, a member of our Maintenance Crew, has years of experience in tree removal and landscaping, and is leading the way and training other members in safety and perfection. It takes Isaac and his crew about 1 day to do 1/2 a block. In a 2-day period, the crew of 4 has managed to get through 5 homes. So please be patient, they are working hard in Summer's heat and humidity, making their way through the Village. It's a large task to undertake, and first is to ensure everyone's safety, including yours! So when you see your Maintenance Crew out there hard at work, if you're driving, slow down. If you see them doing a great job, let them know! We thank Pete, Calvin, Isaac, Bob, Brian and Sal, our/your Maintenance Crew, for the AMAZING hard work they do every day, not only taking down trees and limbs, but hauling away your garbage, making repairs, setting up functions and finding ways to save the Village (and YOU) money.

**A MESSAGE FROM YOUR COMMUNITY MANAGER/RESALE COORDINATOR**

Welcome September!

September is going to be busy here at CV4 just like the past eight months have been. Many Members are looking forward to dances, as are the Board and the Staff. As always, we all need to volunteer to get everything moving in the right direction. I look forward to hearing from you at, [valarie@crestwoodvillagefour.com](mailto:valarie@crestwoodvillagefour.com).

CV4 has been extremely busy all year with closings. Currently we are scheduling two closings per day about four days per week, and September through December will not be any different. If you have an questions about resales, feel free to contact me, I am always here to assist.

We are, and will always be, one of the most desirable 55+ communities. So, help us keep it that way by taking a good look at the area around your unit. Please rid the area around your unit of general clutter and unsightly "collectables", it's time for a FULL FALL CLEANUP!

\*Stay well and hope to see you around the Clubhouse\*
