

LEAF CLEANUP NOTICE

Leaf cleanup will begin Monday, November 2, 2026, weather permitting.

Our leaf cleanup service includes removing leaves from lawns and foundation planting beds, moving leaves to the curb, and vacuuming them from the street for disposal.

IMPORTANT REMINDER:

General Landscaping will not be responsible for damage to lawn ornaments, holiday decorations, solar lights, gazing globes, or other personal items left in the work areas.

Please remove these items from your lawn and landscape beds before our crews arrive to help prevent accidental damage and allow us to perform a thorough cleanup.

Thank you for your cooperation!
